OVERHEAD LINE SPLICES
AUTOMATIC ALUMINUM
ANSI C119.4

CROP CHINA
info@cncropgroup.com
www.cropgroupcn.com

Description

ANSI C 1 1 9 Class 1 full tension connector (95% conductor breaking strength unless otherwise noted)
 ANSI C 1 1 9 full tension, Class A connector (95% conductor breaking strength unless otherwise noted)
 Color coded end funnel guides for easy identification
 Factory inhibitor protected
 Fastest method of splicing aluminum, aluminum alloy and ACSR conductor

Material

Material: Shell – High Strength Aluminum Alloy
 Jaws – Aluminum Alloy
